

Combination Vehicle Type

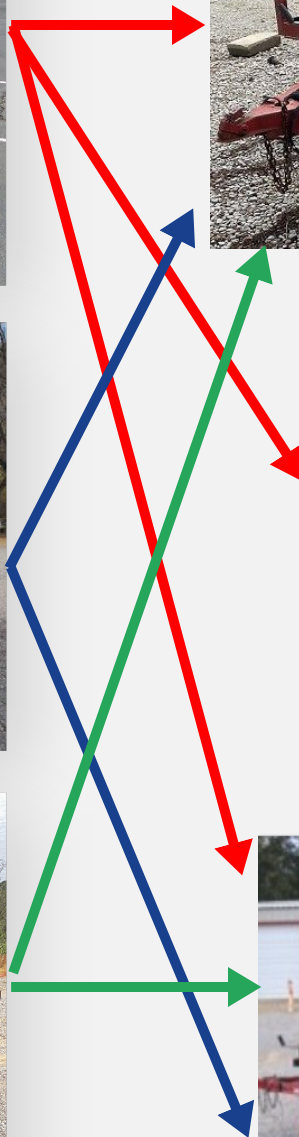

Any combination of vehicles (truck + trailer) must have a gross combination weight rating of **26,000 lbs or LESS**.

Any trailer with a GVWR of 10,001 lbs **or more** must be added to the weight combination to determine the license requirement.

Any trailer with a GVWR of 10,000 lbs **or less** is not added to the combination to determine the license requirement.

Only CDL drivers with the proper endorsement may operate a HM Placarded vehicle.

The gross vehicle weight rating(GVWR) can be found on the VIN plate of any company truck or trailer.
