We are required to provide employee training every three years for our DOT Security Plan. This training will include all employees, and we want to Provide this training as our April Safety Meeting. You will need to review with your employees the information in your Security Plan Binder.

Using Section 1, Page 16, the Receipt of Information Documentation, make sure you get a documented signature from each employee acknowledging the training along with the Safety Meeting Minutes and Attendance Record. This will be a longer than usual safety meeting.
